AGENDA

LONDON BLOCKCHAIN CONFERENCE

Building for Impact

THE LONDON BLOCKCHAIN CONFERENCE IS WHERE BLOCKCHAIN, AI, AND WEB3 GO FROM CONCEPT TO CONQUEST.

From trusted data and tokenised finance to secure systems and smart public services, every session is designed to show what's working, and how to make it work for you.

With practical insights, proven case studies, and a future-focused network of experts, this is the definitive event for decision-makers who are ready to act.

NOTE: This agenda is correct as of 1 September. Changes are expected, so please visit <u>londonblockchain.net</u> for the most up-to-date agenda and timings.

BUILD FOR IMPACT:

WHERE ENTERPRISE, POLICY

AND AI MEET BLOCKCHAIN

WHY THIS MATTERS—NOW

- **Get regulatory clarity:** Hear directly from policymakers shaping digital assets.
- Unlock scale and reduce risk as RWAs and stablecoins rewrite payment rails: Nail compliance and custody.
- Turn Al accountable: How auditable Al on chain reduces model and compliance risk.

WHAT YOU'LL LEARN

The Tokenisation Tipping Point — how tokenised assets are moving capital markets from experiments to scale.

A Regulator's Perspective — what's coming next in supervision and rules.

Auditable AI — governing models and data with on-chain transparency.

Stablecoins: The Quiet Revolution — implications for cross-border payments and liquidity.

WHO IT'S FOR

C-suite leaders in banking, payments, capital markets, big tech; policymakers; enterprise builders moving from POCs to production.

WHO WE ARE

Europe's leading enterprise-focused blockchain event, convening business, tech, and policy—enabling blockchain, Al, and Web3 to deliver real-world results.

YOU'LL BE IN THE ROOM WITH

Leaders and experts from:

ANTHROP\C

and more.
